

Keeping in touch online at Devonshire Infant and Junior Academies

We currently use School Gateway, as a way to keep in touch and let you know any information using your mobile phone.

We are at present using a text system which is quite costly, for both you and for us – so by switching to the app, we can communicate for free!

To help us, we are asking you to use the Gateway APP that I know lots of High Schools use – which is FREE to download and simple to use.

Apple users can go to App Store and other phone users can go to Google Play- just search for SCHOOL GATEWAY and download for free.

Also visit www.schoolgateway.com to access online

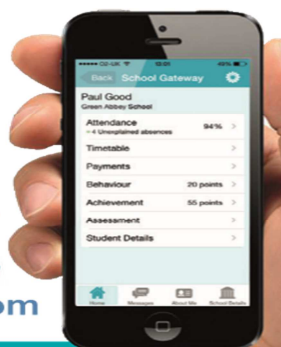

We will soon be putting all letter, newsletter and other information on the Gateway APP – and also providing an easy online way to pay for trips, clubs and other payments - so to stay up to date with what's going on at school make sure you download the app for free.

Your login details will be automatically generated using the contact information Devonshire Infant or Devonshire Junior Academy already has, so please make sure the details we hold for you are up to date.

You can check and change these details by sending an email to office@devinfacademy.org.uk or office@devjunacademy.org.uk

If you have any problems downloading or connecting with school please contact the school offices

Parents, welcome to:
