

*Hi Class Six,*

*Firstly, I have been thinking about you all this week and wondering what you have all been up to. I am well and keeping safe in my home with my family. I go out each day for an half an hour walk, with my dog Barney. Then I make sure I do exercises with Joe Wicks.*

*Each day, even though I can't see you, I think of you all and how unique and special each and everyone of you are. Also, I have been busy doing your learning activities and wondering what you are all doing. Thank you for doing your learning activities; I know you all will be trying your very best.*

*Earlier in the year, if you remember everyone at Devonshire watched Joe Wicks live and enjoyed his keep fit session. As a class, we had a fabulous time doing his amazing exercises together. We had a giggle and hearty laugh too, especially when you saw me exercising! You all encouraged me and most importantly encouraged each other and helped one another. This is what we all need to do now. So make sure you all join in with Joe and myself, so that you can think of all your class mates and we can all collectively think of our special Devonshire Family.*

*Even though you have not been at school, I have noticed the work you have been doing, so a very special thank you. I was so proud to find out that Class 6 were the top Devonshire spellers. I know you all like competition! Keep it up! Also, make sure you keep up my maths and time table rockstars. Thank you for all the work you have been doing! I look forward to seeing more if it.*

*Make sure you also have fun times, exercising times, and relaxing times, this will help you. I know you all have different things you enjoy, like Colouring, Art, DT, Word puzzles, Sudoku, Reading, Maths, Creative writing, and I'm sure you can add even more to this list. What ever makes you relax make sure you take time to do it. Also, remember our learning potions and values, they can be used throughout our daily lives.*

*Finally, be good, stay safe, keep washing your hands.*

*Kind regards,*

*Mrs Lenihan.*

**Joe Wicks is back!**

Remember, every morning, I join in with Joe Wicks and think of that day in Class 6. It makes me smile! So your task is to join in with this amazing exercise with Joe Wicks each morning and think of all of your Devonshire family!
