Ozma and the Little Wizard

Once upon a time, in the beautiful Emerald City, lived an adored girl called Princess Ozma, who was ruler of all that country, and a little, withered old man known as the Wizard of Oz.

This little Wizard could do many strange and magical things, but he was a kind man, with merry, twinkling eyes and a sweet smile so, instead of fearing him because of his magic, everybody loved him.

Ozma wished that all the people who inhabited the pleasant Land of Oz should be happy and contented so one morning she decided to make a journey to all parts of the country to check. She asked the little Wizard to accompany her and he was glad to go.

"Shall I take my bag of magic tools with me?" he asked.

"Of course," said Ozma. "We may need a lot of magic before we return."
