Reading –One tiny mistake

When I received my first magic wand for my twelfth birthday, I could not have been more excited. I imagined pointing it towards a pile of dirty clothes and having them magically cleaned and folded before my eyes. I'd dreamed about turning my vegetables invisible so I didn't have to eat them for dinner. I never imagined that I would spend the next year of my life trapped inside a bottle.
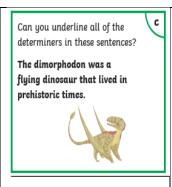

One tiny, little spell gone wrong was all it took to shrink me. My family think that I ran away to a school for witches. They knew it had always been my dream. What they don't know is that I've been here all along; sat on a dusty shelf in my bedroom, tapping on the glass and praying that one day they will hear me.
